

A NOTE OF THANKS

THE MOSBY FOUNDATION in affiliation with WILD ANGELS RESCUE, KENTUCKY would like to thank the following for their generous contributions to our recent relief drive for those animals affected by 'Harvey' in Texas. Without the outpouring of love and giving from our wonderful community and the hard work of all the volunteers this simply could not have been accomplished. A special thanks to Sheryl Rainey and Jodi Burdette for spearheading this project. Two fully loaded 18-wheelers have arrived safely in Texas and are distributing the desperately needed supplies. THANK YOU ALL!!
